NOVEMBER 4 – 7, 2009

2009 ACP Annual Session and Exhibits

The 2009 Annual Session Exhibits will be held November 5 – 6, strategically positioned as part of the American College of Prosthodontists' annual professional education and related business meetings on November 4 – 7 at the Manchester Grand Hyatt in San Diego, California. With an anticipated attendance of more than 1,000 prosthodontists, general dentists, laboratory technicians and others interested in the field of Prosthodontics there is no other forum so targeted to a prosthodontic information exchange on the latest developments in the field.

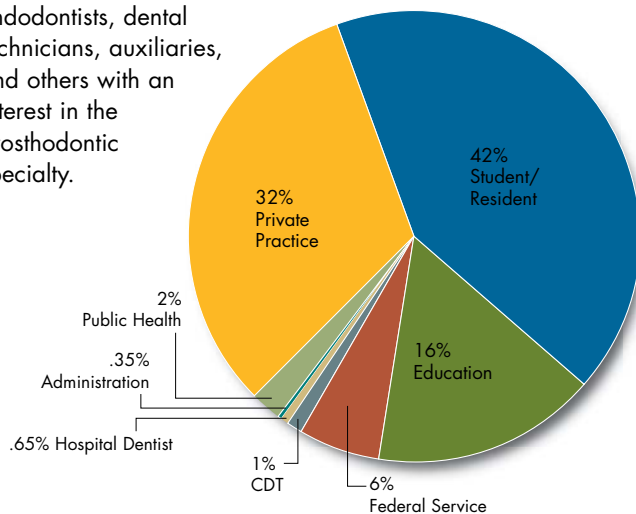

A vital part of the ACP Annual Session is the Exhibits where members and other attendees seek out the latest, most cutting-edge products and technology in the field.

With traffic-builders such as show floor continental breakfasts, coffee breaks, lunches, an exhibitor-attendee reception and the ACP Cyber Café, the exhibit hall is an effective and efficient way for companies to market their products and services.

If your company's line of products includes restorative materials, implants, dental publications, and/or other dental equipment, this exhibit provides a valuable marketplace. Don't miss this opportunity to position your company as a leader in the field of prosthodontics!

Your Target Audience

Attendance at the ACP Annual Session comprises member and non-member prosthodontists, general dentists, maxillofacial prosthodontists, periodontists, endodontists, dental technicians, auxiliaries, and others with an interest in the prosthodontic specialty.

Approximate Breakdown of Practice Area
(based on data from the 2008 ACP Annual Session)

Exhibit Cost

\$2,000 per 10' x 10' plus a \$100 per corner premium, for applications received on or before June 1, 2009. From June 2 through the first day of the Annual Session, the rate per 10' x 10' space is \$2,100 plus \$100 corner premium. A 50 percent deposit is due with applications received before June 1, 2009. Full payment is due with applications submitted on/after June 1, 2009. Cost includes draped side rails and back wall; identification sign; company name listed in the on-site program along with company web site linked through the ACP web site; and three full complementary meeting registrations. ACP will furnish no additional materials or services. ACP will furnish no additional materials or services.

Decorator/Drayage Company

The official show decorator/drayage company of the 2009 ACP Annual Session is GES. They produce and forward the official exhibitor services kit to all contracted exhibitors. The manual provides exhibit details, show floor rules & regulations, available services and pricing for on-site booth needs. The kit will be available electronically in June 2009.

San Diego, California

We invite you to experience San Diego, where blue skies keep watch on 70 miles of beaches and a gentle Mediterranean climate begs for a day of everything and nothing. From suave steakhouses and eclectic ethnic fare, dinner clubs to sultry jazz bars, the over 100 restaurants intermingled with dance and drink are all situated within blocks of each other. Save some time for shopping because when the sun rises so do the shopping temptations. For fare fit for a spree, comb the specialty boutiques or visit the famous Horton Plaza. Spend the day at lush 1,200-acre Balboa Park, one of the nation's largest cultural complexes and home to the largest concentration of museums west of the Mississippi. Check out these numbers: 92 golf courses, 1,200 tennis courts, 70 miles of beaches. All canopied beneath a climate named "ideal" by meteorologists. And depending on your outdoor terrain of choice, San Diego's four microclimates, including mountains, deserts, inland valleys and beaches can show you just how great the Great Outdoors gets. Rather spectate? San Diego's plethora of outdoor venues accommodates just about any sporting convention or spectator event.

Travel Arrangements

You are encouraged to contact your preferred air carrier/car rental company to secure your transportation needs.
