

All I want for Christmas...

"For years I just wasn't happy with the look of my teeth. When I found out I could really have a beautiful smile, I decided to give myself a present."

Doesn't your smile deserve a specialist's care?

A prosthodontist is a dentist recognized by the American Dental Association (ADA) as a specialist in restoring and replacing teeth. With additional education and training, prosthodontists have the capability to provide excellent results on crowns, bridges, dentures, dental implants and other cosmetic and restorative procedures.
