

The essential resource for your waiting room

Prosthopedia® Coffee Table Book

Now only \$95
for ACP members

Prosthopedia® is a coffee table book showcasing best practices and procedures for patients considering prosthodontic treatment. This handsome book, a companion to the ACP's online resource library for practitioners, is a perfect addition to your practice waiting room or gift to your most valuable referral colleagues. Patients will learn how a prosthodontist can help repair broken, worn and missing teeth; can help create dentures; solve problems from TMJ or facial pain; and even how a prosthodontist can help with oral cancer treatment.

Price: \$95 for members
