

AMERICAN ACADEMY OF FIXED PROSTHODONTICS 68th ANNUAL SCIENTIFIC SESSION

Expanding Dimensions in Fixed Prosthodontics

Chicago Marriott Downtown Hotel
Chicago, Illinois

Be a Part of the
Finest Fixed Prosthodontics Meeting of 2019
February 22 – 23, 2019

2019 AAFP HANDS-ON Workshop

February 21st, 2019, 8:00am to 12:00pm and 1:00pm to 5:00pm

(The morning session and the afternoon session are the same - two separate workshops)

“From Intra-Oral Scan to Completed 3D Printed Surgical Guide”

As the fabrication options change for the Dental Practitioner, it is important to understand digital components and workflow. Learn the step process from Intra-oral scan to 3D printing of a Surgical Guide in this Hands-on Course.

COURSE INSTRUCTORS: The 3Shape and Whip Mix Technical Teams

AAFP Meeting registration required to attend this **LIMITED attendance** program for Academy Members and Guest Doctors only (only 20 participants for each workshop).

ADA CER-P® | Continuing Education
Recognition Program

The American Academy of Fixed Prosthodontics is an ADA CER-P Recognized Provider. ADA CER-P is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CER-P does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. The American Academy of Fixed Prosthodontics designates this activity for 13.5 continuing education credits.

AAFP HANDS-ON WORKSHOP (FEB. 21st) \$300

Expanding Dimensions in Fixed Prosthodontics is an educational program designed to bring together speakers from a myriad of scientific and clinical experience. Lecturers will present concepts and clinical techniques based on scientific evidence and their expert experience to enhance a provider's ability to plan, consult, refer, sequence, and achieve success in addressing a wide variety of complex patient care needs. This program is centered on the art as well as the science involved in recognizing, planning, and executing treatment options. The speakers will address a variety of revolutionary technologies and fundamental concepts for a multitude of patient situations.

* Refunds must be requested at least one week prior to the start of the Annual Meeting. A \$50 administrative fee will be withheld from all refunds (except student refunds)

The American Academy of Fixed Prosthodontics provides programs for its members and guests that support its mission to foster excellence in the field of Fixed Prosthodontics, including promoting excellence in patient care and enhancing the professional lives of its members.

Continuing education programs are planned, developed, and managed by the AAFP Program Chair in consultation with the Continuing Dental Education Compliance Committee; the programs are in accordance with the Academy's mission and goals and the content includes the results of responses obtained from the written comments provided by course participants on the Evaluation Form.
