

The American Association of Endodontists, the American Academy of Periodontology and the American College of Prosthodontists are pleased to present this multidisciplinary conference focused on **saving the natural dentition**.

The program speakers include nationally and internationally recognized clinicians and scientists from all three specialties, providing a unique educational opportunity to identify the best dental practices and emerging treatment concepts for saving the natural dentition. The program features focused, compelling presentations that highlight comprehensive teaching and integrated treatment planning. Through this unparalleled collaborative weekend, you will gain new perspectives and skills to apply to your specialty practice with colleagues from across the restorative disciplines.

Course Synopsis

Preservation of the natural dentition has always been the ultimate goal in dentistry. Endodontists, Periodontists and Prosthodontists alike believe that evidence-based treatment planning produces better patient outcomes. Each specialty has made sustained progress in the art and science of dentistry, making long-term preservation of the natural dentition more attainable. Recent scientific advances in regenerative procedures in both periodontal therapy and endodontics have made restoring lost periodontal tissues and the structural development of immature teeth more predictable than ever. We expertly serve our patients when a multidisciplinary, evidence-based approach is used to determine the best possible course of treatment to restore oral health and function.

Contemporary research has also led to scientific advances that provide a better understanding of new treatment modalities that enhance the prognosis for tooth retention. Improved diagnostic and therapeutic techniques that include the concept of minimally invasive endodontics, periodontal esthetic procedures, regenerative periodontal and endodontic procedures, surgical microscopy and new endodontic technology, biomimetic restorations, and interdisciplinary treatment planning have all been highly valuable for patients with advanced dental disease.

Teeth for a Lifetime: Interdisciplinary Evidence for Clinical Success

Earn up to **10.5** CE CREDITS!

July 19-20, 2014
Swissôtel, Chicago, Illinois

Register Today!
www.aae.org/teethforalifetime

Schedule At-A-Glance

All Educational Sessions will take place in the Zurich Ballroom at the Swissôtel.

Friday, July 18

4 – 8 p.m. Registration

Saturday, July 19

6:30 a.m. Registration Opens
7 – 8 a.m. Continental Breakfast

8 – 8:15 a.m. Introduction
Lily T. Garcia, D.D.S., M.S., FACP

8:15 – 9 a.m. The Value Proposition for Natural Teeth
Lyndon F. Cooper, D.D.S., Ph.D., FACP

9 – 9:30 a.m. A Critical Analysis of Treatment Outcomes Associated With the Long-Term Retention of Endodontically Treated Teeth
Ove A. Peters, D.M.D., M.S., Ph.D.

9:30 – 10 a.m. The Impact of Risk Assessment and Prognosis on Treatment Decisions
Michael K. McGuire, D.D.S.

10 – 10:30 a.m. Break

10:30 – 11 a.m. A Meta-Analysis of Prognosis and Longevity of Prosthodontic Treatment Modalities
John A. Sorensen, D.M.D., Ph.D., FACP

11 – 11:30 a.m. Peri-Implantitis: Systemic and Local Risk Factors
Stefan Renvert, D.D.S., Dr. Odont.

11:30 a.m. – noon Panel Discussion
Noon – 1:15 p.m. Lunch

1:15 – 1:30 p.m. Introduction
Alan H. Gluskin, D.D.S.

1:30 – 2 p.m. Regenerative Therapy: Saving Teeth and Dental Implants With Advanced Inflammatory Disease
Paul S. Rosen, D.M.D., M.S.

2 – 2:30 p.m. Regenerative Endodontics and Vital Pulp Therapy
Alan S. Law, D.D.S., Ph.D.

2:30 – 3 p.m. Restoration of Endodontically Treated Teeth: Ferrule and Limits to Crown Lengthening
Nadim Z. Baba, D.M.D., M.S.D., FACP

3 – 3:30 p.m. Break

3:30 – 4:10 p.m. Periodontal Esthetic Procedures for Natural Teeth
Kirk L. Pasquini, D.D.S.

4:10 – 4:50 p.m. Contemporary Paradigms in Endodontic Technology for Tooth Retention
James L. Gutmann, D.D.S.

4:50 – 5:30 p.m. Restorative Update
Marcus B. Blatz, D.M.D., Ph.D.

5:30 – 7 p.m. Reception

Sunday, July 20

7 – 8 a.m. Continental Breakfast

8 – 8:15 a.m. Introduction
Jeanne M. Salcetti, D.D.S., M.S.

8:15 – 9 a.m. Cloud Computing: The Future of Interdisciplinary Collaboration and Dental Informatics
Richard D. Roblee, D.D.S., M.S.

9 – 9:30 a.m. Multidisciplinary Team Relationships
Donald S. Clem, III, D.D.S.

9:30 – 10 a.m. Break

10 – 11:30 a.m. The Role of TEAM in Reconstructive Esthetic Dentistry: A Defined Algorithm for Success
James L. Gutmann, D.D.S.

Maurice A. Salama, D.M.D.

Stephen J. Chu, D.M.D., M.S.D., CDT

11:30 a.m. – noon Panel Discussion/Conclusions

*A complete list of speaker disclosure statements can be found at www.aae.org/teethforalifetime

LEARNING OBJECTIVES

DAY 1

At the conclusion of day one, the participants will be able to:

- Discuss the evidence for preserving the natural dentition in the literature of endodontology, periodontology and prosthodontics.
- Discuss diagnostic and assessment methods used in determining the structural and periodontal prognosis of teeth.
- Identify the most contemporary surgical and restorative therapeutics to restore disease and protect the functioning dentition.
- Describe the use of three-dimensional dental imaging in diagnosis and treatment planning.
- Define regenerative therapies and describe the indications and treatment procedures required for success in periodontal disease and teeth with immature root formation.

DAY 2

At the conclusion of day two, the participants will be able to:

- Discuss comprehensive treatment planning through interdisciplinary communication.
- Describe the team approach to restorative therapies.
- Explain how an interdisciplinary team approach and an electronically shared health record can provide the highest levels of comprehensive care.

The AAE, AAP and ACP are ADA CERP-Recognized Providers.

Register Today – Early Rates End June 13!

Complete registration information, including the cancellation policy, can be found online at www.aae.org/teethforalifetime.

Online Registration

Go to www.aae.org/teethforalifetime and click on “Register Now” under Quick Links. Visa, MasterCard, American Express and Discover cards accepted.

Payment and Confirmation

Registration without complete payment cannot be processed. If you provided or have an email address on file, you will receive an electronic confirmation. If you have not received a confirmation within two weeks of submitting your registration, please contact the AAE at teethforalifetime@aae.org. Name badges will be distributed on site during published registration hours. A \$50 administrative fee will be assessed upon the cancellation of a meeting registration.

Registration Deadlines

Registration for this conference is limited and will be accepted on a first-come, first-served basis until July 11, 2014, or until the conference is filled, whichever occurs first. The early registration fee will be granted for registrations received by June 13, 2014. After this date the standard fee will apply.

Registration Packages and Fees

Registration fees include the educational program, continental breakfasts, breaks, lunch and reception.

AAE/AAP/ACP Member:
\$695 by June 13/\$795 after June 13

AAE/AAP/ACP Nonmember:
\$895 by June 13/\$995 after June 13

HOUSING AND RESERVATIONS

Location of Events

The Swissôtel Chicago
323 East Upper Wacker Drive
Chicago, IL 60601
Website: www.swissotel.com/hotels/chicago

Reservation Procedures

A room block has been reserved for registered meeting attendees. You will receive a link to the online reservation system upon completion of your meeting registration and along with your email confirmation. Phone reservations will not be accepted.

Rates

The standard guestroom rate (single or double occupancy) of \$225 will be offered until June 27, 2014, or until the room block is filled, whichever occurs first. After that time, rates and reservations will be subject to availability. Rates are quoted per room, per night and are subject to state and local taxes, currently 16.4 percent. Access to the fitness center over the meeting dates is included. Group rates will be offered for the three days prior to and the three days following the meeting, subject to availability at the time of reservation.

Deposit/Cancellation Policy

A deposit (equal to room and tax for one night) will be applicable at the time of reservation. This deposit will be fully refunded if the hotel receives notice of cancellation at least 72 hours prior to the date of arrival.

For full meeting details, visit www.aae.org/teethforalifetime.
