

2017 SPRING MEETING | MAY 19, 2017

MICHIGAN SECTION OF THE AMERICAN COLLEGE OF PROSTHODONTISTS

“Digital Dental Workflows: What Works and What Doesn’t from a Lab’s Perspective”

Presented By: Patrick Bever

Patrick Bever is the owner of Workhorse Dental Technologies. Having a background in engineering and dentistry, he began his lab career at Apex Dental Milling and Printing where he assisted dental labs across the country in CAD/CAM services. He was part of digital dental product evaluations in partnership with The Dental Advisor and beta testing of software, scanners, mills and new digital workflows.

“The Top 10 Financial Mistakes Dentists Make (And How to Avoid Them)”

Presented By: Ted Schumann, II, MBA, MSF, CFP®, AIF®

Ted Schumann, II is a managing partner of DBS Investment Advisors, LLC. He is a Certified Financial Planner and received his MBA and MSF from Walsh College in 2015. He works almost exclusively with Michigan dentists and is an MDA endorsed provider of financial services to members. He lectures regularly to local dental societies and is able to explain and simplify complex financial concepts understandably.
