

STRATEGIC SPONSORSHIP OPPORTUNITIES

The American College of Prosthodontists is the premier prosthodontic organization – an educational and scientific association committed to the interests of academic educators, international influencers, and skilled specialists in implant and restorative dentistry.

To assist our corporate partners in maximizing their exposure to this influential group, the ACP offers flexible sponsorship packages designed to fit a variety of budgets and a one-time chance for premium visibility.

SPONSORSHIP LEVELS AND BENEFITS

The ACP sponsorship program is built to provide maximum exposure throughout the year based on five sponsor levels.

You may reach a recognition level in one of two ways – choose items from the sponsorship opportunities on the following pages or make an unrestricted educational grant to support the ACP at the level you desire. The level of recognition is determined by the sponsor's total dollar contribution to the ACP sponsorship program for the calendar year, excluding ACP Annual Session Exhibit Booth and advertising fees.

To receive the full promotional benefits, sponsors should confirm their commitment no later than **March 18, 2016**. All sponsorship opportunities are offered on a first-come, first-served basis.

If you are interested in any of these sponsorship opportunities, please contact the ACP at education@prosthodontics.org or 312.573.1260.
