

Scavenger Hunt

The American College of Prosthodontists (ACP) Annual Session brings the scavenger hunt game to life to increase engagement at the Conference by driving traffic to your booth. In this “Q&A” version, players earn points to win prizes by correctly answering questions supplied by Exhibitors.

How it Works

Participating Exhibitors will outline a question about their brand that they’d like players to “hunt” for and engage booth staff to secure the answer. These questions will be listed on the game card for player interaction at each booth. Once the player successfully answers the question, the exhibit staff will mark off their game card. When the players complete their game card, they will submit the card in the raffle drum located at the Networking Lounge on the show floor. This “Hunt” is limited to Attendees only, ACP staff, Vendor Partner of ACP, Exhibitor, or Exhibiting Company are not qualified to participate or win.

Prize drawing will occur on **Friday, November 2, 2019** at 1:00 PM on the Expo Show Floor, winners must be present to win.
