

48TH ANNUAL SESSION
OCT 31-NOV 3 • BALTIMORE

Baltimore Guide

from Dr. Heather Lynn Giannotta, ACP Fellow

Welcome to Baltimore! While you are in Charm City for the Annual Session, you may want to stretch your legs and explore the city. Maryland is famous for blue crabs, oysters, and rockfish. Be sure to try the Blue crab while you are here and compliment the flavors with the official beer of Baltimore, a National Bohemian Beer - colloquially a "Natty Boh." If you want to enjoy the waterfront views just take a stroll along Baltimore's Inner Harbor. Even if you are not an Orioles fan, you can enjoy a signature Maryland drink called an Orange Crush. The city has reconditioned several historic ships into museums that visitors can climb aboard and experience maritime history firsthand. We are looking forward to another great meeting.
