**Dr. Lino P. Calvani Installed as Regional Membership Director, International Region 7
For the American College of Prosthodontists**

CHICAGO — [Lino P. Calvani, DDS, MSc, FACP](#), has been installed as regional membership director of international region 7 to the board of directors of the American College of Prosthodontists (ACP). Dr. Calvani was sworn in during the 44th Annual Session of the American College of Prosthodontists in New Orleans from Nov. 5-8, 2014.

Based in Rome, Dr. Calvani is an active educator, researcher and member within the Prosthodontic specialty. He is a fellow of the ACP and to the International College of Dentists and is a member of the ACP Spokespersons Network. He is also an active and associate member in 16 international organizations, including the American Academy of Fixed Prosthodontics, American Prosthodontic Society, Academy of Prosthodontics, and the International Association for Dental Research. Dr. Calvani was published this year in 6 issues of *Roma World Monthly*, he was published also in other 30 paper and online press daily issues, and has authored and co-authored articles in peer review journals in medicine, dentistry and Prosthodontics. He has also lectured at meetings in the United States, Europe, Asia and Africa. This year he has been interviewed LIVE by the RAI Broadcasting Channel 1, by the Rome TV Channel, and additionally, Dr. Calvani appears in two 2014 ACP [media highlights videos](#) and is a member of the ACP Spokespersons Network.

“I am honored to serve this very distinguished and unique college of professionals,” Calvani said. “I am committed to finalizing my work in constructing International Region 7 while encouraging members to be even more actively involved in the College, and advertise the ACP aims worldwide in the profession at large.”

Prosthodontists are specialized dentists with advanced training in oral health issues, who are committed to improving patient outcomes. From implants, crowns, veneers and tooth whitening, to full-mouth reconstruction, Prosthodontists specialize in [digital dentistry](#) and CAD/CAM solutions.

The ACP is the only Prosthodontic specialty organization whose membership is based solely on education credentials. ACP members must be in or have completed an ADA-accredited advanced education program in Prosthodontics.

About the ACP

The American College of Prosthodontists (ACP) is the official sponsoring organization for the specialty of Prosthodontics, which is one of nine recognized specialties of the American Dental Association. Founded in 1970, ACP is a not-for-profit organization dedicated to enhancing patient care, advancing the art and science of Prosthodontics, promoting the specialty of Prosthodontics to the public and other dentists and healthcare professionals, ensuring the quality of Prosthodontic education and providing professional services to its membership. Visit GoToAPro.org for more information. [National Prosthodontics Awareness Week](#) (NPAW) is April 12-18, 2015. NPAW promotes public awareness about the critical importance of a healthy mouth and why Prosthodontists bring patients optimal oral health.
