

AMERICAN COLLEGE OF
PROSTHODONTISTS
Your smile. Our specialty.®

Annual Session 2023 Web-based Presentation

The web-based lecture MUST:

1. Be 15-20 minutes in length.
2. Contain contemporary clinical or research information following evidence-based dentistry.
3. Be clinically relevant.
4. Be in prosthodontics, maxillofacial prosthetics, implantology, or related dental materials.
5. Be presented in English.

The review process is detailed below:

1. Reviewers will be blinded to the applicants.
2. Each application will be reviewed by two reviewers.
3. Applications are given a score of 1-5 for the following criteria:
 - The topic is contemporary and unique.
 - The learning objectives are well-defined and well-written.
 - The abstract is well-written and structured.
 - 1=Strongly Disagree, 2=Disagree, 3=Neutral, 4=Agree, 5=Strongly Agree
