

Digital  
Dentistry  
Symposium

# SOLUTIONS & STRATEGIES FOR SUCCESS

February 18-19, 2020  
During the Chicago Dental Society  
Midwinter Meeting

ACP  
AMERICAN COLLEGE OF  
PROTHODONTISTS

Your smile.  
Our specialty.®

**THIS IS MORE  
THAN A  
SYMPOSIUM.  
IT'S THE KEY  
TO A MORE  
REWARDING  
PRACTICE.**

**What are the possibilities?**

The simplicity can be as beautiful as the restorative outcomes. You're spending less time chairside with each patient and delivering better care than ever before. It has never been easier to integrate digital solutions into your practice — or more essential.

**What are the workflows?**

Speakers who helped develop the technology will show you how they use it. Today's digital systems are designed for accuracy, efficiency, and predictability. You'll see workflows that can help you achieve exceptional outcomes — and accelerate the success of your practice.

# Digital Dentistry Symposium

## Learning Objectives

At the conclusion of this symposium, attendees will be able to:

- Describe how to integrate digital technology in a new or existing practice.
- Assess innovations in restorative materials and manufacturing techniques.
- Identify advantages offered by digital vs. conventional workflows in patient care.

*Note: Each presentation has its own specific learning objectives and session description which are included within the meeting handbook.*

## Teaching Method(s)

Didactic presentation, question and answer, and hands-on workshops.

## Target Audience

Prosthodontists, general dentists, residents, dental students, dental laboratory technicians, and dental professionals with an interest in advanced dental technology.

## Program Chair

Mark Ludlow, DMD, MS

## Vice Chair

Robert W. Berg, DM

Rooms will be available until January 27, 2020 or until the room block is full.

## Dress Code

Business Casual

## Meals

If you have any special dietary restrictions (Kosher, Vegan, Vegetarian or Life-Threatening Food Allergies), please contact education@prosthodontics.org or call (312) 573-1260.

## Cancellation Policy, Program Disclaimer & Code of Conduct

All cancellations are subject to a \$50 processing fee. Full refunds for registration minus the \$50 processing fee will be given only if written notice of cancellation is

received 30 days prior to the course. A 50% refund will be given if written notice is after 30 days, up until one week prior to the course. No refunds will be given within one week prior to a course; therefore "no shows" will not be eligible for a refund. Notice of cancellation should be made in writing and sent to the ACP by email to education@prosthodontics.org or fax to (312) 573-1257.

All programs and events are subject to change and/or cancellation because of scheduling conflicts, low registration, and/or circumstances beyond the control of the ACP. The ACP is not responsible for travel expenses or penalties under any circumstances. In the event of a cancellation by the ACP, all registrants will receive a full refund of any registration fees paid. By attending the course, attendees agree to allow photographing, videotaping, audio-taping, or webcasting and for their image to be used by the ACP in association publications, on the ACP's website, and in marketing and promotional materials.

The ACP is dedicated to providing a safe, harassment-free, and inclusive meeting experience for all participants. Participants in ACP meetings include members, registrants, guests, staff, speakers, sponsors, exhibitors, and Board members. The ACP does not tolerate harassment of meeting participants in any form. Any violations will be taken seriously and handled in

accordance with the ACP's code of conduct policy, which is posted at Prosthodontics.org.

## Continuing Education Credit

**ADA CERP** Continuing Education Recognition Program The American College of Prosthodontists is an ADA-CERP Recognized Provider. ADA-CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA-CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. The American College of Prosthodontists designates this activity for 10.6 continuing education credits.

The American College of Prosthodontists is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing education programs of this program provider are accepted by AGD for Fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from 11/01/2018 to 10/31/2021. Provider ID# 214690

## Speaker Disclosures

A list of speaker disclosures will be available on-site and on Prosthodontics.org.
