

Dr. Earl M. Ness

Dr. Earl M. Ness, DDS, MSD, beloved father, partner, grandfather, friend and colleague, passed away suddenly on January 10, 2017. He graduated from UCLA, Northwestern School of Dentistry, and received a Masters of Dental Science from the University of Washington School of Dentistry. He served in the US Army and was stationed in South Korea during the Vietnam War where he received multiple commendations. He is survived by the love of his life, Carolyn, his twin sons, John and Matthew, whom he cherished and loved more than anything in this world, his grandson Nolan, the joy of his heart, and many, many friends, colleagues and family. He had a wicked sense of humor, was a perfectionist in all he did, and was generous with all he met. He loved his work, his staff, his patients, fast cars, and the close friendships that he made over the years. He left this earth too soon and we will miss him greatly.
