# Call for Abstracts

# Deadline for abstract submissions is Friday, April 8, 2022.

Oral Oncology, Maxillofacial Prosthetics, Oral Medicine, and Oral Cancer Research are acceptable. All abstract submitters should be prepared to present their work as a poster.

#### **Abstract Formatting Instructions**

Limit poster abstracts to one page, typed in 12-point Times New Roman font, single spaced with one-inch margins, and left justified. Organize the abstract into Purpose, Methods, Results, and Conclusions. All abbreviations or acronyms should be spelled out the first time they are used. Provide three to five keywords describing the nature and content of the abstract. Please include the name of the conference, title of your presentation, author's full name, highest degree, and institutional affiliation. Also please include author's telephone, fax, and email information.

#### **Abstract Submission Instructions**

Abstracts will only be accepted electronically and should be uploaded to: <a href="https://bit.ly/3geUVI6">https://bit.ly/3geUVI6</a> (Note: The link is case sensitive)

#### Abstract and Poster Notification Dates

The conference committee will select abstracts for e-poster presentations based on the scientific merit and the quality of the content. Abstracts that are not submitted in the format above will not be accepted. Abstracts will not be edited.

Accepted abstract first authors will be invited to create a PowerPoint (1 slide with a 5 minute voice over included) of their research for display in a virtual e-poster hall. Posters will be shared in PDF format and will only be available to paid registrants.

The deadline for receipt of abstracts is 11:59 PM CST on Friday, April 8, 2022. The first arthur will receive an automated submission email confirming that the abstract has been received. Notification of acceptance for poster presentations with directives will be acknowledged by Monday, April 25, 2022 via email.

Note: In addition to submitting an abstract, conference registration must be completed at <a href="https://mdanderson.cloud-cme.com/oraloncology2022">https://mdanderson.cloud-cme.com/oraloncology2022</a>

# ORAL ONCOLOGY SYMPOSIUM

# Goal

The goal of this Symposium is to improve recognition, which will lead to early detection and improve outcomes. Improved management of cancer related symptoms can lead to improved treatment compliance, patient comfort and quality of life.

This Symposium is intended for healthcare professionals. These individuals are in a unique situation where they can detect oral and head and neck cancers. Dentists often have limited experience in diagnosing head and neck malignancies or detecting the signs. Also, dental professionals are typically untrained and apprehensive about dental treatment for patients with cancer. Currently, many dental practices are focused on cosmetics and esthetics. This Symposium will redirect their focus and enhance their knowledge on detection, treatment, and management of the cancer patient. The Symposium aims to improve the recognition of the presenting signs of head and neck cancer, and encourage timely referrals for biopsy and treatment. It will also teach the dentists to improve the management of oral symptoms related to multiple cancer therapies, and be aware of the difficulties that treatment may create.

# **Educational Objectives**

After attending this Symposium, participants should be able to:

- · Identify fundamentals of major therapies for head and neck cancer
- Evaluate head and neck cancer patients with a complete oral diagnostic and radiographic workup, resulting in early diagnosis and more appropriate treatment
- Discuss key issues with the patient's oncology team to ensure both local and systemic control of symptoms
- Define and implement a "multidisciplinary approach" in the treatment of head and neck cancer patients to improve dental management in the oncology patient
- Identify and implement management strategies of primary oral sequela and secondary mucosal disorders of cancer therapy, which will result in improved treatment, compliance, patient comfort and quality of life
- Summarize the phases of prosthetic rehabilitation of the head and neck cancer patient and recognize key elements of fabricating maxillofacial prostheses
- Facilitate speech, swallowing, functional rehabilitation and nutritional counseling in head and neck cancer patients, resulting in improved functional outcomes; and
- Evaluate and treat infectious complications in cancer patients and manage the pain and symptoms, improving patient comfort and quality of life.

# **Target Audience**

This conference should be of value to dentists, physicians, otolaryngologists, nurses, dental/otolaryngology fellows, residents, students, dental and medical staff.

# **Educational Methods**

- Lectures
- Questions and Answers Session
- Case Presentations

- Panel Discussions
- Posters Session and Presentations

# **Evaluation**

A conference evaluation will provide participants with the opportunity to comment on the value of the program content to their practice decisions, performance improvement activities, or possible impact on patient health status. Participants will also have the opportunity to comment on any perceived commercial bias in the presentations as well as to identify future educational topics.

## **CME Certificates and Attendance Verification Certificates**

Certificates awarding AMA PRA Category 1 Credit™ or certificates documenting attendance will be available after an individual completes the online CE Verification process after the conference.

A record of attendance (certificate) will be available online to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

# **Accreditation/Credit Designation**

#### PHYSICIAN:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The University of Texas MD Anderson Cancer Center and The American College of Prosthodontists. The University of Texas MD Anderson Cancer Center is accredited by the ACCME to provide continuing medical education for physicians.

The University of Texas MD Anderson Cancer Center designates this internet live activity for a maximum of 16.50 AMA PRA Category 1 Credits<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### **NURSING:**

The University of Texas MD Anderson Cancer Center is accredited with distinction as a provider of Nursing Continuing Professional Development by The American Nurses Credentialing Center's Commission on Accreditation.

The University of Texas MD Anderson Cancer Center designates this internet live course will award 15.75 Nursing Continuing Professional Development (NCPD) contact hours.

Nursing Certificates will be provided ONLY to participants who complete the online evaluation within the 30 days of the end of the symposium.

#### **DENTAL:**

This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between The American College of Prosthodontists and The University of Texas MD Anderson Cancer Center Department of Continuing Professional Education.

C-E-R-P® Continuing Education The American College of Prosthodontists (ACP) is a

Prosthodontists (ACP) is an ADA

CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp

The American College of Prosthodontists designates this activity for 16.5 continuing education credits.

American College of Prosthodontists (ACP)

Nationally Approved PACE Program Provider for FAGD/MAGD credit. Approval does not imply acceptance by any regulatory authority or AGD endorsement.

11/1/2021 to 10/31/2024. Provider ID# 214690

#### **Oral Cancer Diagnosis and Treatment**

Moderator: Alex Won, DDS, FACP

Moderato	r: Alex Won, DDS, FACP			
8:10	Keynote Speaker: The COVID-19 Pandemic - Infection Control Raging Wa on COVID-19 in a Cancer Hospital Roy Chemaly, MD, MPH			
9:10	Multidisciplinary Care of the Head and Neck Cancer Patient/NCCN Guidelines Jeffrey Myers, MD, PhD Mark S. Chambers, DMD, MS			
9:30	TNM Staging/Diagnostic Evaluation of the Head and Neck Cancer Patien Anastasios Maniakas, MD, MSc			
9:50	Head and Neck Clinical Exam R. Jennifer Wang, MD			
10:10	<b>Techniques for Diagnosing Oral Lesions and Oral Biopsy Techniques</b> Ann Gillenwater, MD			
10:30	Break			
10:45	Oral Premalignancies and their Benign Mimics: Clinical and Microscopic Features Nadarajah Vigneswaran, DMD			
11:15	Surgical Management of Oral Cavity and Oropharyngeal Cancer Ryan P. Goepfert, MD			
11:45	Interdisciplinary Management of an Oral Lesion (Case Presentations and Q &A Session) Moderator: Mark S. Chambers, DMD, MS Panel Members: Ruth Aponte-Wesson, DDS, FACP; R. Jennifer Wang, MD; and Nadarajah Vigneswaran, DMD			
12:15 pm	Lunch break			
1:00	Viral Related Cancers: HPV and Beyond Erich M. Sturgis, MD, MPH			

1:30	Systemic Therapy in the Curative Setting for Head and Neck Squamous Cell Carcinoma Renata Ferrarotto, MD
2:00	Radiation Therapy for Head and Neck Cancer Patients Amy Moreno, MD
2:30	Break
2:45	Microvascular Surgery in the Reconstruction of the Resected Mandible and Maxilla Matthew Hanasono, MD, FACS
3:30	Interdisciplinary Management of the Cancer Patient: Case Presentations and Discussion Moderator: Amy Moreno, MD Panel Members: Renata Ferrarotto, MD; Julie Ngo, RN; Alex Won, DDS, FACP; Miriam Lango, MD; and Matthew Hanasono, MD, FACS
4:30	Adjourn

**Opening Remarks** 8:00 am

Theresa M. Hofstede, DDS, FACP

# Oral Management/Oral Complications of Oncology Patients Moderator: Richard Cardoso, DDS, MS, EACP

Moderat	or: Richard Cardoso, DDS, MS, FACP	
8:05	<b>Oral Management of the Chemotherapy and Stem Cell Transplant Patient</b> Richard Cardoso, DDS, MS, FACP	
8:35	The New Face of Osteonecrosis of the Jaw Alex Won, DDS, FACP	
9:00	Oral Morbidities of Radiotherapy and Pre-Radiation Evaluation Adegbenga Otun, DDS	
9:40	Smoking, Vaping, and Emerging Nicotine Products Jason Robinson, PhD	
10:10	Break	
10:25	Nursing and the Head and Neck Cancer Patient (Medical Reconciliation, Review of Systems, Pre-procedure Education and Management) Julie Ngo, RN Opeyemi Amubieya, MSN, RN, CMSRN	
10:45	Endodontic Treatment for the Cancer Patient Joseph Bernier, DDS	
11:05	Lunch and Learn: Table Clinic and Poster Presentations	

Moderator: Carly Barbon, PhD

1:00 pm	Speech and Swallowing Rehabilitation of the Head and Neck Cancer Patient Katherine A. Hutcheson, PhD, MS
1:25	What is that Swelling? Identifying Cancer-related Head and Neck Lymphedema Holly McMillan, MS
1:50	Survivorship in Head and Neck Cancer Kristen B. Pytynia, MD, MPH
2:05	Dental Hygiene Considerations for the Cancer Patient Donna DeVries, RDH
2:30	Break
2:45	Discussing Proposed Dental Treatment with a Radiation Oncologist - What a Dentist Should Know G. Brandon Gunn, MD

# **Registration Information**

The deadline for advanced registration is Friday, April 22, 2022.

# **Registration Fees**

Postmarked	by 4/22/2022	after 4/22/2022
Physician/Dentist	\$400	\$450
Nurse/Hygienist/Dental Assistant/ Speech Pathologist	\$200	\$250
Student/Fellow/Resident	\$150	
UT Dental Faculty/UT Staff/VA	\$300	\$350
MD Anderson Faculty/Staff	\$300	\$350
MD Anderson Student/Fellow/Resident/Trainee	\$150	

We accept the following forms of payment:

- 1. Credit cards (Master Card, VISA, and American Express)
- 2. Check (payable through U.S. Banks only)

Register on-line at https://mdanderson.cloud-cme.com/oraloncology2022.

Once your payment has been made, a receipt can be found in the MyCE area of your PEP@MD Anderson account.

# **Refund/Cancellation Policy**

The registration fee, minus a \$50 administrative handling fee, is refundable if a written request is received on or before **Friday**, **April 22**, **2022**. No refunds will be granted after that date. The request for a registration refund must include the tax identification number of the company or institution if registration was paid by a company or institution check.

The Department of Continuing Professional Education reserves the right to cancel activities prior to the scheduled date if low enrollment or other circumstances make it necessary. Each registrant will be notified by e-mail if this should occur. In case of activity cancellation, the liability of the Department of Continuing Professional Education is limited to the registration fee. Continuing Professional Education will refund the full registration fee.

The Department of Continuing Professional Education reserves the right to limit the number of participants in a program and is not responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.
