**Join the Predoctoral
Student Alliance
at no cost!**

Predocctoral students who are enrolled in an ADA accredited dental program can join the ACP Predoctoral Student Alliance.

Expand your knowledge with online access to every issue of the *Journal of Prosthodontics* and print issues of the *ACP Messenger*.

Enhance your study resource library with Prosthopedia®, the authoritative online library for prosthodontics, including documents, images, videos, and more to explore from many of the foremost minds in the specialty.

Connect with mentors and receive valuable advice as you prepare for a career in teaching, patient care, research, and more.

Hone your skills at discounted continuing education courses such as the Annual Session, where you can also participate in the Dental Student Poster Session Competition.

Download a membership application at Prosthodontics.org. Contact the ACP at 312-573-8790 or acp@prosthodontics.org with any questions.
