March 31, 2016

Drs. Carl Driscoll and Robert Taft
c/o: Ms. Nathalie Williams,
211 E Chicago Ave #1000
Chicago, IL 60611

Re: Region 5 Membership Director Position

Dear Dr. Driscoll and Dr. Taft;

Thank you for the opportunity to serve the ACP for the past two years as the Region 5 Membership Director. I am proud of our profession and our College, and I am grateful to have been given the opportunity to give back to our profession.

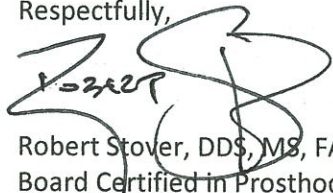

I have found that it takes some time to develop the relationships necessary to influence participation from our members. In spite of this, I feel that I am seeing some improvements in the Region 5 section of the college in terms of activity and participation with the College. For example, recently I attended and spoke at the Seattle-based Washington State Society of Prosthodontists meeting, updating them on some of the recent successes of the College in terms of the Public Awareness campaign, our success updating residency standards with the CODA Board, our recent partnership with Henry Schein to promote digital dentistry education in residencies, as well as highlight some of the CE opportunities offered through the College. At the end of the meeting, I obtained a verbal vote to proceed with chapter incorporation, which would form the only chapter in Washington state.

Additionally, this year I hope to help revitalize the Oregon Chapter by holding a joint Washington-Oregon chapter meeting to help to bridge and buffer some of the difficulties and challenges they have been experiencing in coordinating a vital, active chapter.

I appreciate the opportunity I have been given with the Region 5 director position, and would look forward to making significant inroads in the next two years. If you feel that it is appropriate, I would be happy to serve another term in this capacity.

Thank you!

Respectfully,

Robert Stover, DDS, MS, FACP
Board Certified in Prosthodontics

Dr. Robert E. Stover, DDS MS

Education:

2004-2008	Board Certification-Prosthodontics	American Board of Prosthodontics Fellow American Board of Prosthodontics
2001-2004	Master's Degree-Prosthodontics	University of Texas Health Science Center School of Biomedical Sciences San Antonio, Texas
2001-2004:	Certificate in Prosthodontics	Graduate Prosthodontics Residency United States Air Force Wilford Hall Medical Center Lackland AFB, Texas
2000-2001	AEGD Residency	Advanced Education in General Dentistry United States Air Force Travis AFB, California
1996-2000	Doctor of Dental Surgery	Northwestern University Dental School Chicago, Illinois
1987-2001	Bachelor of Arts in Geophysics	Occidental College Los Angeles, California

Professional Background:

Dr. Stover received his B.A. in Geophysics from Occidental College and then worked as a field geologist in the Rocky Mountains and Hawaii. Before going on to dental school, he also worked as a carpenter, and taught English in Japan. He received his DDS from Northwestern University Dental School, where he was elected by the faculty to Kappa Sigma Upsilon, the dental honor fraternity. After graduation, he joined the Air Force to do an AEGD residency and a residency in prosthodontics. He also received a Master's Degree from the University of Texas in Prosthodontics for his research on cell interactions with implant surfaces, and has lectured both nationally and internationally. He was stationed at Offutt Air Force Base, Nebraska, where he was responsible for the clinical and didactic instruction of AEGD residents, general dentists, and laboratory technicians. There he maintained an active clinical practice and was the regional prosthodontic consultant to the Air Force Surgeon General and the Officer in Charge of the Regional Dental Laboratory. He is the recipient of the Meritorious Service Medal, the National Defense Service Medal, and was elected Company Grade Officer of the Quarter. He has published a thesis at the University of Texas, and articles in the Journal of Periodontology and the International Journal of Dental Research.

Professional Affiliations:

Dr. Stover is a board certified fellow of the American Board of Prosthodontics, a member of the American College of Prosthodontics, the Academy of General Dentistry, the American Dental Association, and the National Dental Honor Fraternity Kappa Sigma Upsilon. He has served on the ACP Judicial Committee, and for the ACP ProsNet Study.

Professional Experience:

2008-Present	Private Practice	Olympia Prosthodontics & Cosmetic Dentistry Olympia, Washington
2007-2008	Associate, Private Practice	Northwest Center for Prosthodontics Olympia, Washington
