**Dr. Robert E. Stover Installed as Regional Membership Director, Pacific Region 5
for the American College of Prosthodontists**

CHICAGO — [Robert E. Stover, DDS, MS, BA, FACP](#), has been installed as regional membership director of Pacific region 5 by the American College of Prosthodontists (ACP). Dr. Stover was sworn in during the 44th Annual Session of the ACP held in New Orleans from Nov. 5-8, 2014.

Based in Olympia, Wash., Dr. Stover is a board-certified Prosthodontist who participates in many different areas of the Prosthodontic specialty. In addition to the ACP, Dr. Stover is a member of the Academy of General Dentistry and the American Dental Association. He is also a diplomate of the American Board of Prosthodontics. Dr. Stover has published articles in the *Journal of Periodontology* and the *International Journal of Dental Research*. His passion and expertise also led him to serve on the ACP Judicial Committee and participate in the ACP ProsNet Study Committee.

“As a Prosthodontist, I’m dedicated to providing exceptional dental care in a comfortable, caring environment. Just like in my private practice, my goal in my new role with the ACP Board of Directors is to represent ACP members’ needs on the West Coast. As dedicated professionals, Prosthodontists are committed to [optimal oral health](#) and giving patients a great smile. Patient satisfaction is the top priority for Prosthodontists, and every effort is made to ensure the patient experience is a pleasant one – it’s a hallmark of our specialty,” Dr. Stover said.

Dr. Stover received his DDS from Northwestern University Dental School in 2000. He holds a Master's Degree from the University of Texas in Prosthodontics for research on cell interactions with implant surfaces, and he has lectured both nationally and internationally.

Prosthodontists are specialized dentists with advanced training in oral health issues, who are committed to improving patient outcomes. From implants, crowns, veneers and tooth whitening, to full-mouth reconstruction, Prosthodontists specialize in [digital dentistry](#) and CAD/CAM solutions.

The ACP is the only Prosthodontic specialty organization whose membership is based solely on education credentials. ACP members must be in or have completed an ADA-accredited advanced education program in Prosthodontics.

About the ACP

The American College of Prosthodontists (ACP) is the official sponsoring organization for the specialty of Prosthodontics, which is one of nine recognized specialties of the American Dental Association. Founded in 1970, ACP is a not-for-profit organization dedicated to enhancing patient care, advancing the art and science of Prosthodontics, promoting the specialty of Prosthodontics to the public and other dentists and healthcare professionals, ensuring the quality of Prosthodontic education and providing professional services to its membership. Visit GoToAPro.org for more information. [National Prosthodontics Awareness Week](#) (NPAW) is April 12-18, 2015. NPAW promotes public awareness about the critical importance of a healthy mouth and why Prosthodontists bring patients optimal oral health.
