

Your Future is Our Future

2015 Annual Appeal & ACP Residents

Prosthodontic Residents Embrace the 2015 Annual Appeal

Dentistry needs your leadership and this year, the ACPEF is asking every prosthodontic resident to contribute to the foundation of our future, the ACPEF Annual Appeal. The ACPEF supports initiatives that amplify our voice in dentistry to assure a strong, vibrant, and rewarding profession.

Prosthodontic Residents Have a Voice in Our Future

Two residents and one new prosthodontist sit on the nine member 2015 ACPEF Annual Appeal committee. These three individuals are challenging their fellow residents and new prosthodontist members to join them in supporting the ACPEF with a \$120 commitment this year, contributing a small part of the generous benefits each prosthodontic resident receives from our ACPEF.

Help Keep the ACPEF Resident Support and Initiatives Flowing

As an ACP resident member, you receive an annual equivalent benefit of \$2,000 from the ACPEF. The ACPEF quietly underwrites resident membership through its educational resource grant.

Perhaps you're surprised! By attending the ACP Annual Session, residents accrue further benefits through subsidized registrations and Annual Session travel stipends. Residents also receive further discounts on educational events and complimentary resources such as publications and access to Prosthopedia and other research information. Beyond the real dollar benefits to each resident, this effort has established our meeting as the annual meeting place for prosthodontists and a great home base for prosthodontic residents. Being an ACPEF supporter assures that the ACPEF can offer a lasting legacy of support to fuel our specialty's future membership.

Your Contribution to the ACPEF is Simple, Effective, and Recognized

When you contribute, the ACPEF can arrange contributions of \$10 per month (\$120 per year) and that means your efforts are put to work immediately. Each year, you will be recognized as a Leader Level contributor in the ACPEF donor listings. Contributing is an important part of participating in the most vibrant and changing specialty in dentistry. This year, join us as a recognized ACPEF Donor at the ACP Annual Session in Orlando by invitation to the exclusive Donor Reception. It's an inspiring event and a great opportunity to network with the leaders of the prosthodontic community.

Be part of prosthodontics leadership by giving.

The future of prosthodontics is in the hands of the young prosthodontists-to-be. I support ACPEF because it invests in the bright future of prosthodontics by supporting residents and young prosthodontists.

Aram Kim, DMD, MS, FACP
ACPEF 2015 Annual Appeal Committee

I hope to lead by example - by fostering a culture of giving as a resident in the hope that others will be inspired to give back to the specialty now and in the future.

Roberta Wright, DMD

Regional Appeal Competition

Rally your peers and be recognized at the ACPEF Donor Reception

The Annual Appeal Committee will recognize three categories of resident support at the Donor Reception during the ACP Annual Session in October:

- Program with the highest participation rate*
- The ACP Region with the highest resident participation rate*
- The ACP Region whose residents raised the most funds

*If several achieve 100% of residents supporting the ACPEF, each one will be recognized
